World Robot Summit 2018

At the World Robot Summit 2018 which was held at Tokyo Big Sight on October 17-21, Kawasaki exhibited the humanoid robot "**Kaleido**," dual-arm SCARA robots "**duAro1**" and "**duAro2**" and a high speed articulated robot "**RS007N**." The "**Kaleido**" exhibited an excellent human-like performance and attracted a huge audience at its demonstration (see photo below left).
